STATEMENT IN SUPPORT OF REQUEST UNDER 37 C.F.R. § 3.81

Pursuant to 37 C.F.R. § 3.81, Applicants hereby request that a Certificate of Correction to correct the assignee name be issued.

The instant application was filed on September 25, 2003, and was assigned to Genetics Institute Inc in an Assignment recorded at Reel 019918 and Frame 0945 on October 4, 2007. A copy of the Notice of Recordation of Assignment Document from the instant application is attached to this statement as Exhibit A, and attached as Exhibit B is a Notice of Recordation of Assignment Document (Change of Name) recorded at Reel 019930 and Frame 0624, changing the name of the Assignee to Genetics Institute LLC. Also attached as Exhibit C is the executed Certificate of Conversion Document from Genetics Institute, Inc. to Genetics Institute LLC.

Applicants erroneously listed Wyeth in the PTOL-85B as the assignee of the invention, and this information was printed on the face of the above-referenced patent, which issued on October 16, 2007. Applicants have only recently become aware of this error.

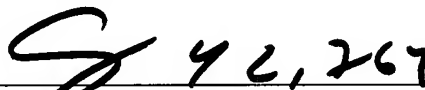

Applicants hereby state that the failure to include the correct assignee name (Genetics Institute LLC) on the PTOL-85B was inadvertent and the assignment with the correct assignee was submitted for recordation as set forth in 37 C.F.R. § 3.11 before the issuance of the above-reference patent. Also submitted herewith is the processing fee under 37 C.F.R. § 1.17(i). A Request for a Certificate of Correction and a Certificate of Correction are submitted herewith.

Wynn, et al.
U.S. Patent No. 7,282,206 B2

under 37 C.F.R. § 1.20(a). The fee for the Certificate of Correction under 37 C.F.R. 1.20(a) was submitted on October 23, 2007.

The Commissioner is invited to contact the undersigned by collect telephone call if there are any questions concerning this statement or the accompanying petition.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "S 42,267", is written over a horizontal line.
